

OLD PAINT

PAINT RECYCLING PROGRAM

NEW LIFE

RECYCLE UNUSED PAINT AND PAINT PRODUCTS AT A STORE NEAR YOU.

Clark County Solid Waste, in cooperation with Miller and Rodda paint stores, will recycle, reuse, or safely dispose of your unused paint.

To recycle old paint or paint products, residents of Clark County:

- May bring up to 25 gallons, per household, per day to the store where purchased.
- Should return paint in five gallon containers or smaller.
- May not return paint in leaking, damaged, or unlabeled containers.

Latex paints will be recycled and oil-based paint and paint products will be reused as alternative fuel. Each paint company will accept only those paint and paint-related products sold by their company.

Miller Paint Company
